Please contact David Friedland at 786.258.4619 or dkfriedland@gmail.com with any flight changes, delays, etc. on your travel date. We will call and/or text the camper to let him/her know who will be picking the camper up at the airport. The camper will preferably be met at the baggage claim carousel for the camper's specific flight. All campers staying in the official camp hotel - the Hampton Inn Dadeland - should make sure to review the Miami Vice Polo Club Athlete-Parent Code of Conduct, which applies to their time spent in the camp hotel. Athletes violating the Code of Conduct or causing disruption and/or damage to the camp hotel will be sent home immediately, at their parents' expense.
